- Our experienced staff will work with you from planning through execution to ensure requirements are handled discretely and efficiently.

COMPANY OVERVIEW

Shockwave Cargo, LLC was founded by CEO Jon Nevins in 2006. Shockwave Cargo is a niche Worldwide and Domestic Freight and Cargo expediting company that deals with complex logistics as well as simple logistics. We excel in austere environments and have very much a ‘Mission Critical’ basis of thought behind even the smallest requirements of a single- instance commercial shipment/cargo to a lengthy Special Project Platform over a 6 month or more period.
